EXPERIENCE

Regional Lead / Moderator Mar 2026 – Oct 2026
Axis Robotics

- Took the initiative to coordinate weekly community activities that brought **5x growth** to the community.
- Hosted onboarding sessions twice weekly to educate users about the Axis core product.
- Contributed in part to Axis Nigeria's user base growth from **3,000 to 15,000 users within 3 months**.
- Hosted **10+ local community collabs** with other web3 communities to onboard users to the Axis community.
- Hosted a weekly X Space (every Friday) to share community updates, take feedback and network with the community.
- Created and managed a community points system that tracked member participation and contributions across community activities, encouraging consistent participation.
- Created the Axis Nigeria Community page on X and grew it from **0 to 600+ members within 5 months**.
- Created **over 10 video guides** and educational content pieces to onboard new users.

Community Moderator / Ambassador Dec 2023 – Jun 2026
Puffer Finance

- Monitored community platforms for compliance with guidelines and terms of service.
- Engaged with the community by responding to comments, questions and concerns in a timely and respectful manner.
- Developed and implemented strategies to increase engagement and participation within the community.
- Created video content to educate new and existing members about the protocol's product suite.
- Collaborated with other team members to ensure a cohesive community strategy.
